**New to the ISEA fleet – the 105ft “Tall Ship” Alliance**

- Family Discover Sail programs are open to the public – **family groups including children** are encouraged. The adventure begins as we leave the docks. You will help trained instructors trawl for fish, collect bottom, plankton & water samples, raise the anchor & sails and take a turn at the helm. While under sail small groups will rotate thru stations to study the collected samples and discuss how they relate to the health of the Great Lakes.

- There will be two (3 hour) sails per day; **each limited to 36 participants for \$10 per person**. For ISEA Family Discovery Sail program descriptions and information go to **[schoolship.org](https://schoolship.org)**
